

## Media Information 2019

### General

*Maankäyttö* is the leading surveying magazine in Finland. The magazine covers subjects such as: surveying, cadastre, facility management, real estate enterprises, planning, geodesy, photogrammetry, GIS, cartography and surveying techniques and equipment.

Besides professional articles *Maankäyttö* publishes interviews, news, columns and book reviews within the field of surveying.

### History

*Maankäyttö* (Land Use) was founded in 1892 and has been published without interruptions ever since, first as *Suomen Maamittari-Yhdistyksen Aikakauskirja* (Periodical of the Finnish Association of Surveyors), from the year 1954 as *Maanmittausinsinööri* (Surveyor) and since 1975 as *Maankäyttö*.

### Publisher

*Maankäyttö* is published by *Maankäyttö ry* (a registered association founded in 1996). The members are the *MIL ry* (Association of Finnish Surveyors) and *MAKLI ry* (Association of Polytechnical Surveying Engineers and Technicians).

*Maankäyttö* is a member of *Aikakauslehtien Liitto ry* (Union of Periodicals).

### Circulation and Distribution

Normal print circulation 1,800 exemplars. About 1,600 of the total circulation are posted to the members, the remaining issues to other subscribers. The electric version reaches monthly about 600 unique readers and thousands of downloads are made from the electric archive each month.

*Readers of the magazine:*

- Surveying engineers
- Surveying technicians
- Cartographers
- Students of the field of surveying.

Companies and organisations interested in the subjects covered by the magazine:

- Engineering and cartographic companies within the field of surveying
  - Planning and consulting companies
  - Real estate brokers
  - Software, IT companies and vendors within the field of GIS
  - Planning and surveying departments in municipalities
  - Governmental planning and environment authorities.
- Circulation covers about 70% of all surveyors in Finland.
