

## Media Information 2022

### General

*Maankäyttö* is the leading surveying magazine in Finland. The magazine covers subjects such as: surveying, cadastre, facility management, real estate enterprises, planning, geodesy, photogrammetry, GIS, cartography and surveying techniques and equipment.

Besides professional articles *Maankäyttö* publishes interviews, news, columns and book reviews within the field of surveying.

### History

*Maankäyttö* (Land Use) was founded in 1892 and has been published without interruptions ever since, first as *Suomen Maamittari-Yhdistyksen Aikakauskirja* (Periodical of the Finnish Association of Surveyors), from the year 1954 as *Maanmittausinsinööri* (Surveyor) and since 1975 as *Maankäyttö*.

### Publisher

*Maankäyttö* is published by *Maankäyttö ry* (a registered association founded in 1996). The members are the *MIL ry* (Association of Finnish Surveyors) and *MAKLI ry* (Association of Polytechnical Surveying Engineers and Technicians).

*Maankäyttö* is a member of *Aikakauslehtien Liitto ry* (Union of Periodicals).

### Circulation and Distribution

Normal print circulation 1,200–1,300 exemplars. About 1,000 of the total circulation are posted to the members, the remaining issues to other subscribers.

*Readers of the magazine:*

- Surveying engineers
- Surveying technicians
- Cartographers
- Students of the field of surveying.

Companies and organisations interested in the subjects covered by the magazine:

- Engineering and cartographic companies within the field of surveying
- Planning and consulting companies
- Real estate brokers
- Software, IT companies and vendors within the field of GIS
- Planning and surveying departments in municipalities
- Governmental planning and environment authorities.

Circulation covers about 70% of all surveyors in Finland.
